

## Audio Visual media content assessment

Social media platform:

---

Describe the picture quality?

---

Describe the audio quality?

---

Describe the video content?

---

---

---

Roughly how long is the video clip?

---

What additional elements does the clip have? (links, graphics etc.)

---

Is the content native to the platform or embedded from elsewhere?

---

What method is available to viewers to comment or contact the video poster?

---
